

CURRICULUM VITAE

Personal information

Full name **LONG Vu**
Phone (84) 28 777 09 888
E-mail longvu@cbes.vn
Nationality Vietnamese
Date of birth February 19th, 1988
Gender Male

Occupational fields Marine biology, Marine mammal sciences, Ecology, Conservation, Environmental and Social Impact Assessment (ESIA), consultancy

Education and training

Undergraduate Degree From September 2006 to October 2010
Title of qualification Bachelor of Science
Major subject Biology: Ecology and Evolutionary Biology
Name of university Department of Ecology and Evolutionary Biology, Ho Chi Minh City University of Sciences, Vietnam

Graduate Degree From September 2016 to October 2017
Title of qualification Master of Science
Major subject Marine Biology
Name of university School of Ocean Sciences, Bangor University, United Kingdom

Other trainings

Name of training course Open Water Diver Courses - certified SSI Open Water Diver
Time and place August 2019, Khanh Hoa province
Name of host organisations Green Star Dive Center, Khanh Hoa province

Name of training course **International training course: New Trends and Methodology in Animal Ecology and Conservation Biology**
Time and place August 2011, Beijing-China
Name of host organisations - International Society of Zoology Science
- Chinese Academy of Sciences

Name of training course **Estimates of Abundance and other population parameters**
Time and place July 2013, Thailand
Name of host organisations - Department of Marine and Coastal Resources, Ministry of Resource and Environment, Thailand
- MareCet
- Marine & Coastal Conservation and Spatial Planning Lab

Name of training course	International training workshop: Building capacity in conducting cetacean abundance survey in Southeast Asia
Time and place	August 2014, Penang- Malaysia
Name of host organisations	- Centre for Marine and coastal studies Universiti Sains Malaysia - International Whaling Commission
Name of training course	ASEAN Economic Community Marine and Coastal Resources Network's training workshop
Time and place	October 2014, Phuket-Thailand
Name of host organisations	- Department of Marine and Coastal Resources-Thailand - Ornamental Aquatic animal and Aquatic animals for Conservation research unit-Thailand
Name of training course	Conservation leadership programme training course
Time and place	July 2015, Alberta, Canada
Name of host organisations	- Conservation Leadership Programme - Alberta University
Name of training course	Tropical Basic Offshore Safety Induction & Emergency Training (T-BOSIET)
Time and place	Mar 2018, Ba Ria-Vung Tau, Vietnam
Name of host organisations	- OPITO - PetroVietNam Manpower Training College/ Safety and Environment Faculty

Awards

Prize	National Geographic Early Career
Year	2018
Organization	The National Geographic Society
Prize	PADI Foundation Prize
Year	2019
Organization	The PADI Foundation
Prize	JASTIP-Net award
Year	2018
Organization	Japan-ASEAN Science, Technology and Innovation Platform (JASTIP), Kyoto University, Japan
Prize	The EBS (Emily B. Shane) Award
Year	2018
Organization	The Society for Marine Mammalogy
Prize	Conservation Leadership Programme's Future Conservationist Award
Year	2015

Organization The Conservation Leadership Programme in partnership with Birdlife International, Fauna and Flora International, Wildlife Conservation Society and BP plc.

Prize **Rufford's Small Grant**

Year 2014

Organization The Rufford Foundation

Prize **Idea Wild**

Year 2009

Organization The Idea Wild

Employment history

Name of organization **Center for Biodiversity Conservation and Endangered Species (CBES)**

Position held **Director**

Date October 2018- present

Main activities and responsibilities

- Administration
- Research on biology, ecology, and conservation of marine mammal in Vietnam
- Fund-raising
- Consultancy

Organization's contact Center for Biodiversity Conservation and Endangered Species
541 Nguyen Duy Trinh Street, Binh Trung Dong ward, District 2, Ho Chi Minh City, Vietnam
Email: info@cbes.vn
Phone: (84) 28 777 09 888

Name of organization **CIM Social Enterprise Company Limited**

Position held **Vice director**

Date October 2018- present

Main activities and responsibilities

- Administration
- Providing with information on technical and scientific issues (Biology, ecology, and conservation of marine mammal in Vietnam)
- Consultancy

Organization's contact CIM Social Co., LTD
24 Street 13, LakeView City, An Phu ward, District 2 Ho Chi Minh city, Vietnam
Phone: 0084914 805 874

Name of organization **Vietnam Marine Mammal Network**

Position held **Founder and General coordinator**

Date September 2014 - present

- Main activities and responsibilities
- Establishing, developing and managing "Vietnamese Marine Mammals network"
 - Raising funds to sustain conservation activities for marine mammals in Vietnam
 - Field survey designing
 - Field survey conducting
 - Communicating and collaborating with local and international researchers on marine mammal studies and conservation in Vietnam

Organization's contact Vietnam Marine Mammal network office
541 Nguyen Duy Trinh Str., District 2, Ho Chi Minh City, Vietnam
Tel: 84 8 37430004 | Hotline: 84 914 805 233

Name of organization **Southern Institute of Ecology (SIE), Viet Nam Academy of Sciences and Technologies**

Position held **Researcher**

Dates September 2012- September 2014

- Main activities and responsibilities
- Researching on Mammalian taxonomy, ecology and conservation, with special focus on marine mammals
 - Developing awareness rising programs for marine mammals in Viet Nam
 - Developing and managing Facebook page "Vietnamese Marine Mammals network"
 - Raising funds to sustain conservation activities for marine mammals
 - Field survey designing
 - Field survey conducting
 - Specimen collecting, preparing and management
 - Building and managing biodiversity-database of SIE
 - GIS related activities including: building survey maps for protected areas, management GIS data
 - Data analysis
 - Report writing

Organization's contact Southern Institute of Ecology
01 Mac Dinh Chi Str., District 1, Ho Chi Minh City, Vietnam
Tel: 0084 8 35 210255 | Fax: 84 8 38 220052

Name of organization **Center for Biodiversity and Development (CBD), Institute of Tropical Biology, Viet Nam Academy of Sciences and Technologies**

Position held **Researcher**

Dates October 2011 – September 2012

- Main activities and responsibilities
- Researching on Mammalian taxonomy, ecology and conservation
 - Field survey designing
 - Field conducting
 - Specimen collecting, preparing and management
 - Building and managing biodiversity-database of SIE
 - GIS related activities including building survey maps for protected areas, management GIS data
 - Data analysis
 - Report writing

Organization's contact Center for Biodiversity and Development (CBD)
85, Tran Quoc Toan street, District 3, Ho Chi Minh City, Vietnam

Name of organization **Zoology lab, Department of Ecology and Evolutionary Biology, Ho Chi Minh city University of Science**

Position held **Teaching Assistant**

Dates January 2009 – December 2010

- Main activities and responsibilities
- Assisting professors in teaching Basic Animals taxonomy course for first- and second-year students
 - Specimen preparation

Organization's contact Zoology lab, Department of Ecology and Evolutionary Biology
227 street, District 5, Ho Chi Minh City, Vietnam

Name of organization **Wildlife at Risk (WAR)**

Position held **Animal health care volunteer**

Dates January 2007 – December 2008

- Main activities and responsibilities
- Taking care for wounded animals in WAR's Animal Rescue Centre in Cu Chi
 - Organising events to promote WAR's Animal Rescue Centre in Cu Chi
 - Photographing WAR's events

Organization's contact Wildlife at Risk Office
202/10 Nguyen Xi, Binh Thanh District, Ho Chi Minh City, Vietnam

Project involved

Name of project **Evaluating marine biodiversity of fauna and flora of Nui Chua National Park**

Position held Project Manager

- Responsibilities
- Coral and seagrass survey
 - Gathering related researches in Nui Chua National Park
 - Finalizing conclusion and recommendations
 - Scanning and evaluating research data
 - Report writing

Time 2019 - 2020

Project information Nui Chua National Park

Name of project **Monitoring marine mammal strandings along Vietnamese coast**

Position held Project Manager

- Responsibilities
- Coordinating
 - Fund raising
 - Data analysis
 - Report writing

Time September 2015 - present

Project information Center for Biodiversity Conservation and Endangered Species

Name of project **Investigating the diversity, abundance, and distribution of marine mammals in Vietnamese Southwest coast**

Position held Project Manager

- Responsibilities
- Coordinating and executing
 - Fund raising
 - Data analysis
 - Report writing

Time August 2018 to present

Project information Funded by the National Geographic Society

Name of project **A multi-disciplinary approach for investigating the ecology of dugongs in Con Dao Archipelago, Vietnam**

Position held Project Manager

- Responsibilities
- Coordinating and executing
 - Fund raising
 - Data analysis
 - Report writing

Time August 2018 to present

Project information JASTIP-Net and PADI Foundation funded project

Name of project **Conservation of cetacean in Kien Giang Biosphere Reserve, Vietnam**

Position held Team leader

- Responsibilities
- Coordinating and executing
 - Fund raising
 - Data analysis
 - Report writing

Time September 2015

Project information Funded by Conservation Leadership Programme

Name of project **Conservation status of cetacean in Kien Giang Biosphere Reserve, Kien Giang province**

Position held Team leader

- Responsibilities - Coordinating and executing
- Fund raising
- Data analysis
- Report writing

Time February 2014

Project information Funded by Rufford Small Grant

Name of project **Primate Conservation with the emphasis on the Black-shanked douc langur (*Pygathrix nigripes*) in Ninh Thuan and Binh Thuan provinces, Vietnam**

Position held Team member

- Responsibilities - Field survey
- Data analysis
- Report writing

Time 2008-2009

Project information The project was funded by SeaWorld and Busch Garden Conservation Fund

Name of project **Biodiversity conservation of the unique threatened and understudied Kien Giang karst landscape in the coastal south of Vietnam**

Position held Team member

- Responsibilities - Mammal survey
- Data analysis
- Mapping

Time 2009-2012

Project information Funded by MacArthur Foundation

Name of project **Survey on Biodiversity of Bu Gia Map National Park, Binh Phuoc province**

Position held Team member

- Responsibilities - Mammal survey
- Data analysis
- Mapping

Time 2009-2012

Project information Funded by Vietnam Conservation Fund through "Strengthen Biodiversity Conservation in Bu Gia Map National Park Project for the period of 2008-2010

Name of project **Survey on Biodiversity of Bac Lieu Nature reserve**

Position held Team member

- Responsibilities - Mammal survey
- Data analysis
- Mapping
- Report writing

Time 2010

Project information Funded by Vietnam Conservation Fund through “Strengthen Biodiversity Conservation in Bac Lieu Natural Reserve Project for the period of 2008-2010

Name of project **Population status of the Yellow-cheeked crested gibbon (*Nomascus gabriellae*) in Ta Dung Natural reserve, Dak Nong province, Vietnam**

Position held Team member

Responsibilities - Field survey/ data collecting
- Data analysis
- Report writing

Time 2010

Project information Funded by Fauna & Flora International (FFI) and Conservation International (CI)

Name of project **Primate monitoring in Bu Gia Map National park, Binh Phuoc Province, Vietnam**

Position held Team member

Responsibilities - Field survey/ data collecting
- Data analysis

Time 2010

Project information Center for Biodiversity and Development (CDB) project

Name of project **Locomotion and feeding behavior study of the black shanked Douc langur (*Pygathrix nigripes*) in Takou Nature Reserve, Binh Thuan province, Vietnam'**

Position held Team member

Responsibilities - Field survey/ data collecting
- Data analysis

Time 2010- 2011

Project information Cooperating project of Center for Biodiversity and Development (CBD) and Anthropology Department- Colorado University at Boulder

Name of project **Primate survey in Chu Brong and Ayun Pa area, Pleiku province, Vietnam**

Position held Team member

Responsibilities - Field survey/ data collecting
- Data analysis

Time 2011

Project information Funded by Rufford Small Grant

Name of project **Building biodiversity database for Khanh Hoa province, Viet Nam**

Position held Team member

- Responsibilities - Mammal survey
- Data analysis
- Mammalian database management

Time 2013

Project information Funded by Khanh Hoa provincial government

Name of project **Project "Tay Nguyen III": Building 25 hectares plot to study ecological processes in Bidoup- Nui Ba National park, Lam Dong province**

Position held Team member

- Responsibilities - Mammal survey
- Data analysis

Time 2013

Project information Funded by Khanh Hoa provincial government

Personal skills

Language skills TOEFL iBT 87, IELTS 7.5

Technical skills Advance R, Advance GIS

Communication skills Proficient, with long history of participating in international conferences

Publication

- 2011 Some data on mammal fauna of Hon Dat-Kien Ha Special Use and Protection forest, Kien Giang; Proceeding of 4th National Scientific conference on Ecology and Biological resources (ISN 1859-4425); **Vu Long**, Hoang Minh Duc, Tran Van Bang.
- 2013 Small-toothed Palm Civet *Arctogalidia trivirgata* records from human-influenced habitats in Vietnam; Small Carnivore Conservation, Vol. 47: 48–55; DANIEL H.A. WILLCOX, Tran Quang Phuong, **Vu Long**, Tran Van Bang, Hoang Minh DUC.
- 2013 Chiroptera fauna survey in Bu Gia Map national park, Binh Phuoc province; Proceeding of 5th National Scientific conference on Ecology and Biological resources (ISBN 978-604-60-0730-2); **Vu Long**; Hoang Minh Duc.
- 2013 Poster 'Bats in the Southeastern region of Vietnam: A review'; Hanoi Vertebrate Species Diversity Symposium; **Vu Long**, Tran Van Gang, Hoang Minh Duc.
- 2013 Poster 'Activity Budget of the Indochinese Silvered Langur in the Kien Luong Karst Area, Kien Giang Province, Vietnam'; First Annual Meeting Southwestern Association of Biological Anthropologists Arizona State University, Tempe; HERBERT COVERT, Hoang Minh Duc, Tran Van Bang, **Vu Long**, Nguyen Ngoc hung, Cao Quoc Tri.

- 2013 Presentation 'Conservation of marine mammals in Viet Nam: An overview'; Third Southeast Asian Marine Mammal Symposium (SEAMAM III); **Vu Long** and Hoang Minh Duc.
- 2014 Unveiling the Impact of Human Influence on Species Distributions in Vietnam: A Case Study Using Babblers (Aves: Timaliidae); Conservation letter; LAUREL YOHE, Jonathan Flanders, Hoang Minh Duc, Phung Ba Thinh, Nguyen Hao Quang, **Vu Long**, Sushma Reddy
- 2015 Poster 'Conservation of cetacean in Kien Giang Biosphere Reserve, Vietnam'; Society of Marine Mammalogy's Biennial Symposium, 2015, San Francisco; **Vu Long**, Truong Anh Tho, Tran Thi So Ny, Nguyen Thi Hong Tham, Le Duy, Nguyen Ngoc Hung, Hoang Minh Duc
- 2017 Poor fisheries struggle with U.S. import rule; Science (Letters); Andrew F. Johnson, Marjolaine Caillat, Gregory M. Verutes, Cindy Peter, Chalatip Junchompoo, **Vu Long**, Louisa S. Ponnampalam, Rebecca L. Lewison, Ellen M. Hines
